ACTUALS: Income and Expenses calculated using owner's 10/22 operating statement. PRO FORMA: Income is Pro Forma as Noted. Taxes were calculated using 2022 Tax Rate & Future Assessment. Insurance is estimated. Management Fees calculated as 2.98% of Gross Income, Other expenses are Estimated for the Pro Forma.

Note the low taxes are due to the taxing authority's view that individual condominiums are taxed lower than apartments. The tax consultant (O'Connor and Associates) got the 2021 value down 47% and projects a similar precentage decrease for 2022. The tax consultant got a 50% agreed reduction from HCAD and expects a similar result in 2023.

DISCLAIMER: The information contained herein has been obtained from sources that we deem reliable. We have no reason to doubt the accuracy of the information, but we have not verified it and make no guaranty, warranty or representation about it. It is your resonsibility to independently confirm its accuracy and completeness. We have not determined whether the property complies with deed restrictions or any city licensing or ordinances including life safety compliance or if the property lies within a flood plain. THE PROSPECTIVE BUYER SHOULD CAREFULLY VERIFY EACH ITEM OF INCOME OR EXPENSE AND PERFORM OR HAVE PERFORMED ANY INSPECTIONS TO VERIFY POSSIBLE CONTAMINATION BY ASBESTOS, LEAD PAINT, MOLD OR ANY OTHER HAZARDOUS SUBSTANCES. The owner reserves the right to withdraw this listing or change the price at anytime without notice during the marketing period.

PROPERTY HIGHLIGHTS

Collingwood Gardens is a brick and wood, two story, garden-style, apartment community located in the Greenspoint submarket of northwest Houston with easy access to I-45, the Hardy Toll Road and Beltway 8. Originally built as and titled as individual condos, the property is located only a few blocks east of the Greenspoint Mall and approximately one mile west of Bush Intercontinental Airport. Collingwood Gardens is located in the Tax Increment Reinvestment Zone (TIRZ #11). This program provides funds for capital improvements and financial incentives for developers to include public amenities in their projects. The asset enjoys good drive by! The property was built in 1979 and offers a variety of unique floor plan designs. Amenities include access gates and perimeter fencing, landscaped grounds, clothes care centers, walk-in closets, patios and balconies, all-electric kitchens with spacious countertops and cabinets, ceiling fans and mini-blinds. There is convenient school bus pickup. World-class dining and shopping nearby is nearby, additionally the property is close to premier theatres and entertainment, near area schools and medical facilities. A possible exit strategy is to sell off the individual units! Per owner's pay rate analysis, for the most recent 36 move-ins since April, 2022, tenants are receiving above average wages (\$22/hr) and most are current in their rent payments. Owner may carry a second lien of \$3,000,000 for 3 years behind a new loan.

As of 9/22, current tenant delinquencies total \$21,164.97, per Owner. There are five tenants who have not paid and they are being evicted. This will eliminate the delinquencies, per Owner. The Broker suggests a gradual interior upgrade to granite countertops, stainless steel appliances and new cabinet faces to potentially push rents by \$125 - \$150/month!.

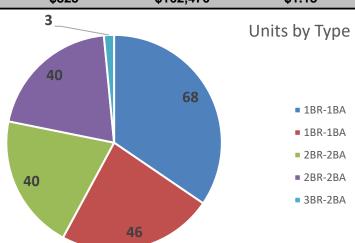

IMPORTANT: The operating statements reflect a much lower tax bill than what the 2021 assessment shows! The tax consultant got the 2021 value down 47% and projects a similar percentage decrease for 2022, but a 50% reduction was agreed with HCAD. So, the Broker suggests deducting 50% from the 2023 proforma taxes. The property has flooded in the past but extensive flood control work is under way in the area. There is additional revenue available for the prospective buyer by selling cable rights to Comcast-Xfinity. Owner reports that Comcast currently has cable rights on 200 units for \$100/unit, \$20,000. The current service agreement is 100% renewable and set to expire in October 2023.

GREENSPOINT SUBMARKET

The Greenspoint Submarket is a dynamic community approximately 15 miles north of downtown Houston and minutes from Bush Intercontinental Airport and the Port of Houston. This prime location makes the area ideal for companies conducting business locally and around the globe. Many of Houston's largest companies call this area home.

The area's strengths incude:

► Easy commutes to locations throughout Houston via:

Interstate 45
Sam Houston Tollroad
Hardy Toll Road
U.S. Hwy 59

- ► Exceptional IT infrastructure
- Close proximity to a diverse workforce
- ► Strong presence of global companies
- ► Incentive for developers

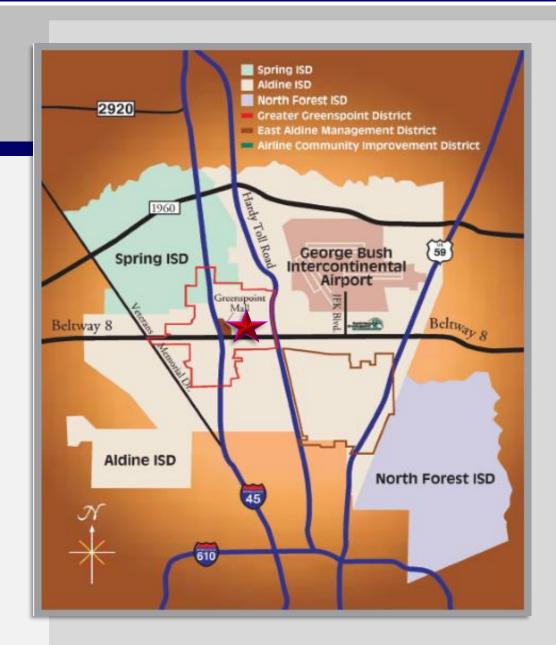

The area is part of TIRZ #11 (Tax Increment Reinvestment Zone), which provides funds for capital improvements and financial incentives for developers to include public amenities in their projects. As a result, the area should continue to benefit from reinvestment and improvement. TIRZ #11 is contributing \$8M for public improvements of the \$32 million renovation of the Greenspoint Mall.

STRONG EMPLOYMENT BASE

Farouk Systems US headquarters encompasses 300,000 square feet and 600 employees. Their recent expansion in Greenspoint includes a 500,000 square foot facility and 1,200 employees, as well as projecting the addition of 4,000 employees in the next few years.

Exxon Mobil North American Headquarters (Campus Development) a three million square foot campus that created approximately 36,000 jobs during construction and 44,000 permanent jobs after completion. The project brought approximately 15,000 to 17,000 employees to the immediate area. The campus includes 20 buildings totaling three million square feet.

Greenspoint Business District covers 12 square miles, hosts Bush Intercontinental Airport, 4,400 business establishments, 20 major companies, and 70,000 employees. Major employers include Exxon Mobil (1,800), UPS (4,300), Baker Hughes (1,600), Halliburton (1,300), and Continental Airlines (700). There are approximately 80 energy related companies, 18 million square feet of retail, office and industrial space.

Bush Intercontinental Airport generates a \$1.6 billion impact on the local economy and a regional impact of \$24.2 billion. The airport system supports \$5 billion in total payroll and 200,000 full time jobs. It's the 8th busiest airport in the nation and is named the fastest growing airport among the top ten major airports in the nation.

There is abundant retail near FM1960 and Interstate 45 including Home Depot, Kroger, PetSmart, Hobby Lobby, Mercedes Benz, BMW, Conn's, Barnes and Noble, Walmart and Sam's Club in addition to multiple retail centers, shops restaurants and entertainment.

Pinto Business Park, developed by Hines, is the destination for all light manufacturing, warehouse, supply chain distribution and corporate real estate requirements. Tenants lease specifically-designed facilities from Hines who assumes development and construction risk.

Sysco GE/

The 971 acre site is comprised of 665 acres net of detention ponds and roads. It has excellent access to Bush Intercontinental Airport, Port of Houston, major business centers, freeways and desirable residential communities.

There are 11 park entrances from I-45, Beltway 8, and West Road. Tenants enjoy fully-entitled sites with utilities and detention. The park is located outside the 500 year flood plain and has excellent visibility from Beltway 8.

According to the Pinto Busines Park website, Hines, with over 55 years of expertise, has developed more than 61 million SF of build-to-suit projects in Houston and around the globe and more than 33 million SF of industrial space – light manufacturing, distribution, and corporate facilities.

Collingwood Gardens ● 838 Greens Rd. ● Houston, TX 77060 Area Development

AREA DEVELOPMENT

\$15M
affordable
housing
complex in
Greenspoint

In July, 2021, City Council approved a \$15 million loan to help finance a 325-unit affordable housing complex near the Greenspoint Mall. The Zieben Group is leading the development, which is called *The Summit at Renaissance Park*, and will replace a vacant Sears Auto Center near the mall. According *to Chron.com*, the four-story housing project will reserve all of its 325 units for low-to-moderate income tenants for 40 years, and the availability of four-bedroom units will help appeal to families in the area. People making less than 60 percent of the area median income, which would be \$47,520 for a Houston family of four, or \$33,300 for an individual, would qualify. Some of the units will be set aside for people making 50 or 30 percent of the AMI, as well. City Council unanimously voted in favor of the forgivable loan. TXZNH, LLC, will not have to repay the principal amount but will pay 1-percent annual interest on it for 40 years. The council also approved up to \$40 million in bonds for the project, a requirement because it received housing tax credits from the state. A private investor will buy those bonds.

Greenspoint is the most densely populated neighborhood in the city, with many of the apartment complexes being built along Greens Bayou. Flooding is a major concern for residents in the area. City officials said building a complex on higher ground is necessary. The Greenspoint project is expected to take two years to complete, with the goal of construction being done by the end of 2023.

Summit at Renaissance Park will be the single largest development of affordable homes funded through the Hurricane Harvey Multifamily Program. It will provide workforce housing above ground-floor retail, with financing support from low-income housing tax credits, tax-exempt bonds and CDBG-DR funds. The Zeiben Group, ZG Companies (ZG), has embarked on the \$400M plan to redevelop the former Greenspoint Mall site located in an opportunity zone in the rebranded, North Houston District. The property is located on a 125-acre, four-parcel site located at the Northeast intersection of Beltway 8 and Interstate 45, where an estimated 500,000 cars a day pass by. ZG has been the first and only group to put all four parcels under contract simultaneously. ZG plans to develop an industrial distribution and logistics business park, Renaissance Business Park. It will have approximately seven industrial buildings with over 1,500,000 square feet in industrial space and a mixed-use component along with the 325 units of work force housing above retail.

Collingwood Gardens ● 838 Greens Rd. ● Houston, TX 77060 Area Development

AREA DEVELOPMENT

ExxonMobil developed a 20 building facility on a 385-acre site located at the intersection of US Interstate 45 and the Hardy Toll Road. According to the Houston Business Journal approximately 10,000 employees began working at the site in 2015. Some of those employees came from Virginia, Ohio and the Houston area. The campus boosted demand for housing commercial development and office space nearby, strengthening the region spanning northern Harris County and southern Montgomery County.

The oil and gas giant recently (Feb 2022) announced plans to move its corporate headquarters from a Dallas suburb to the Houston area by 2023. **ExxonMobil** will move the headquarters from Irving to its Spring campus by mid-year 2023 as part of a larger plan to combine its chemical and downstream companies and streamline its business. CEO Darren Woo stated, "Closer collaboration and the new streamlined business model will enable the company to grow shareholder value and position ExxonMobil for success through the energy transition. The corporation will be organized along three lines based north of Houston as of April 1: ExxonMobil Upstream Co., ExxonMobil Product Solutions and ExxonMobil Low Carbon Solutions. Aft moving thousands of workers down to The Woodlands, bringing the last 250 down from corporate to more closely integrate them with the operating units seems to be a good manageme strategy. According to the release, **ExxonMobil** is on track to exceed \$6 billion in structural cost savings by 2023, compared to 2019, driven by savings from the new business structure at measures such as centralizing procurement, digital transformation of processes, and right-sizing programs that were announced in 2020.

ExxonMobil's announcement represents the third Fortune 500 headquarters announcement in greater Houston in 13 months, solidifying the city's position as the number 3 Fortune 500 headquarters city in the nation. In December 2020, Hewlett Packard Enterprise said it would establish its global headquarters in Houston. And in May 2021, NRG Energy Inc. said it would consolidate its corporate headquarters. The moves added two new Fortune 500 companies to Houston's roster.

The floodplains shown on this mapping tool are those delineated on the Federal Emergency Management Agency's (FEMA) effective Flood Insurance Rate Map (FIRM or floodplain map) for Harris County that was adopted in 2007, as well as updates that have been made through a Letter of Map Revision (LOMR) since 2007. This mapping tool is not an effective FIRM. The effective FIRM is produced, maintained and published by FEMA and not by the Harris County Flood Control District. Please visit FEMA's Map Service Center at www.msc.fema.gov to view the effective FIRM for Harris County. For an official floodplain determination, please contact an insurance agent or mortgage lender. This map is a representation and approximation of the relative location of geographic information, land marks and physical addresses.

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

11-2-2015

TYPES OF REAL ESTATE LICENSE HOLDERS:

- A BROKER is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- A SALES AGENT must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- · Answer the client's questions and present any offer to or counter-offer from the client; and
- · Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent.

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent.

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - o that the owner will accept a price less than the written asking price;
 - o that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- · The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- · Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
