HOUSTON METRO OVERVIEW

HOUSTON 2025

HOUSTON

Houston, the nation's fourth largest city, has become a diverse, vibrant metro filled with talented people who have an undeniable spirit. The economy is strong, the city is made up of many different cultures, and the quality of life is second to none. Houston has one of the youngest, fastest-growing and most diverse populations anywhere in the world.

7.5 million people live in the ten-county Houston-Pasadena-The Woodlands MSA. The City of Houston has 2.3 million residents, the fourth most in the U.S. Nearly 1 in 4 Houstonians are foreign-born.

In addition to Houston's diversity as a community, Houston offers a well-developed suite of key global industries – including energy, life science, manufacturing, logistics and aerospace. As these industries digitize, Houston is a hotbed of rapid technological development thanks to its access to customers and expertise.

A thriving international city, Houston's ties stretch to all corners of the world. The region's geographic location makes it easy to move both goods and people around the globe. With one of the largest ports in the country and two international airports, Houston connects companies to the world.

Metro Houston is forecast to add 71,200 jobs next year and finish 2025 with over 3.5 million full-time jobs according to the Greater Houston Partnership's (GHP) annual Houston Region Economic Outlook released in December. Health care and construction industries are expected to advance the farthest, while professional and technical services, government, and restaurant and bars are also expected to realize significant gains.

- ✓ Metro Houston has the **THIRD LARGEST** number of **FORTUNE 500 COMPANIES** in the nation
- ✓ If Houston were a country, it would rank as the **24th LARGEST ECONOMY IN THE WORLD**, exceeding Belgium's and Sweden's Gross Domestic Product
- ✓ Houston's **TEXAS MEDICAL CENTER** is the **WORLD'S LARGEST** medical complex
- ✓ Houston is home to more than **9,100 TECH-RELATED FIRMS** including more than 1,000 venture backed startups

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

2-10-2025

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. **An owner's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. **A buyer/tenant's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
