PROPERTY HIGHLIGHTS

Redstone Vista is a two story, 274 unit, garden-style, apartment community, located in north Houston. The asset was constructed in 1982 and per HCAD, was remodeled in 2019.

Redstone Vista is property in north Houston in the desirable Cypresswood. Important attributes of the property: (1) all units have washer dryer connections (2) all units have indiv hot water heaters (3) 234 of the 274 units have been upgraded (4) patios and (5) some covered parking at \$35/mo. The Spring ISD is a major plus! And, per the previous owner, all roofs were replaced in 2017. 100% washer/dryer connections!

Housing Finance Corporation (HFC) Structure just approved allows a portion of units deed restricted for moderate income households and enables property to qualify for an exemption from ad valorem property taxes. (Regulatory Agreement Structure Available). The loan rate cap was at 3% so initially, the pay rate will be 3+2 or 5. Once SOFR goes below 3%, then the minimum payment is 5.5%. The accrual is SOFR + 3.5% so the difference gets added to the balance. IE 1.5% accrual.

Per owner, there is faux wood flooring in all downstairs units with carpet in upstairs units and two toned paint. Patios and balconies are a feature for all units, along with individual hot water heaters. Every unit has washer dryer connections and most tenants rent the washer and dryer machines for \$40 per month. The kitchen cabinets are original but many of the doors have been replaced. There is a total of 8 personnel at the property, 4 inside and 4 outside. The property has a club house with a business office currently not in use. The property is a 30 minute drive to downtown Houston. Easy access to all major freeways, just east of I-45 and north of FM 1960.

Per owner, the few down units will be brought on line within the next 60 days.

Owner motivated, need an offer. Or Owner will consider a recapitalization. *Loan maturity has been extended to December 15,2025.*

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

2-10-2025

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. **An owner's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. **A buyer/tenant's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
- Who will pay the broker for services provided to you, when payment will be made and how the payment will be calculated.

LICENSE HOLDER CONTACT INFORMATION: This notice is being provided for information purposes. It does not create an obligation for you to use the broker's services. Please acknowledge receipt of this notice below and retain a copy for your records.
