PHLOX DUPLEXES

the Phlox Duplexes are located in the heart of the Hwy 288 S/Pearland West submarket of Houston. The asset was constructed in 1956 and has had some extensive rehab . Residents enjoy amenities and features which include walk-in closets, in unit washers and dryers and ceramic flooring in select units.

Owner estimated rehab: Heavy interior rehab: approx \$21,400/unit
Heavy exterior rehab: approx \$460,000/property

Phlox Duplexes is located in Sunnyside neighborhood in southern Houston, and per owner, is known as one of the most dangerous high crime areas in Houston. Because of this, the owner has not yet been able to find sufficient prospective residents that meet the standards to ensure the safety and wellbeing of the Phlox community. As part of efforts to boost the occupancy in the coming months, there have been ramped up efforts to reach qualified tenants using refined demographic targeting, including incentives tailored for renewals and referrals.

Nestled just eight miles south of Downtown Houston, residents of Sunnyside find its close proximity to city attractions and low cost of living attractive. The community borders the 610 Loop and is inside the Beltway 8, making it simple for locals to commute to work.

There's definitely a suburban vibe to the area. Students of Sunnyside are zoned to the Houston Independent School District. Residents look forward to the amenities at Sunnyside Park, including the playground, sports courts, walking/biking trails, and the gym that's located in the community center.

Cullen Boulevard and Reed Road house many local restaurants and quick-bite establishments. It's only a short ride to Houston attractions like the zoo, aquarium, and the Children's Museum of Houston. Need to get to William P. Hobby Airport? You're only a 15-minute drive away.

As of June 2025, delinquencies total \$50,218.99 across 14 accounts. The owner has no debt here and only carries liability insurance. The owner has 10 properties and operates with a phone application. Tenants scan a QR code at each property and get a code to the lockbox to tour a unit. All applications and maintenance issues are handled on the app. Management is remote and maintenance is on an as needed basis. This minimizes operating costs. A lender will not underwrite these.

Information About Brokerage Services

Texas law requires all real estate license holders to give the following information about brokerage services to prospective buyers, tenants, sellers and landlords.

2-10-2025

TYPES OF REAL ESTATE LICENSE HOLDERS:

- **A BROKER** is responsible for all brokerage activities, including acts performed by sales agents sponsored by the broker.
- **A SALES AGENT** must be sponsored by a broker and works with clients on behalf of the broker.

A BROKER'S MINIMUM DUTIES REQUIRED BY LAW (A client is the person or party that the broker represents):

- Put the interests of the client above all others, including the broker's own interests;
- Inform the client of any material information about the property or transaction received by the broker;
- Answer the client's questions and present any offer to or counter-offer from the client; and
- Treat all parties to a real estate transaction honestly and fairly.

A LICENSE HOLDER CAN REPRESENT A PARTY IN A REAL ESTATE TRANSACTION:

AS AGENT FOR OWNER (SELLER/LANDLORD): The broker becomes the property owner's agent through an agreement with the owner, usually in a written listing to sell or property management agreement. An owner's agent must perform the broker's minimum duties above and must inform the owner of any material information about the property or transaction known by the agent, including information disclosed to the agent or subagent by the buyer or buyer's agent. **An owner's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BUYER/TENANT: The broker becomes the buyer/tenant's agent by agreeing to represent the buyer, usually through a written representation agreement. A buyer's agent must perform the broker's minimum duties above and must inform the buyer of any material information about the property or transaction known by the agent, including information disclosed to the agent by the seller or seller's agent. **A buyer/tenant's agent fees are not set by law and are fully negotiable.**

AS AGENT FOR BOTH - INTERMEDIARY: To act as an intermediary between the parties the broker must first obtain the written agreement of *each party* to the transaction. The written agreement must state who will pay the broker and, in conspicuous bold or underlined print, set forth the broker's obligations as an intermediary. A broker who acts as an intermediary:

- Must treat all parties to the transaction impartially and fairly;
- May, with the parties' written consent, appoint a different license holder associated with the broker to each party (owner and buyer) to communicate with, provide opinions and advice to, and carry out the instructions of each party to the transaction.
- Must not, unless specifically authorized in writing to do so by the party, disclose:
 - that the owner will accept a price less than the written asking price;
 - that the buyer/tenant will pay a price greater than the price submitted in a written offer; and
 - any confidential information or any other information that a party specifically instructs the broker in writing not to disclose, unless required to do so by law.

AS SUBAGENT: A license holder acts as a subagent when aiding a buyer in a transaction without an agreement to represent the buyer. A subagent can assist the buyer but does not represent the buyer and must place the interests of the owner first.

TO AVOID DISPUTES, ALL AGREEMENTS BETWEEN YOU AND A BROKER SHOULD BE IN WRITING AND CLEARLY ESTABLISH:

- The broker's duties and responsibilities to you, and your obligations under the representation agreement.
